LINKS Secondary Metacognitive Strategies Resource Handbooks

Over 250 pages, including assessment strategies, standards-based planning tools, and structures for differentiating instruction. The handbook features user-friendly modules and comes complete with instructional transparencies that provide teachers with the metacognitive reading/study skill and writing strategies system in visual template format. **LS-001**.... Secondary Handbook

LINKS Primary Metacognitive Strategies Resource Handbooks

Over 350 pages, also including the same basic strategies, structures and planning tools as is in the Secondary. However, the Primary handbooks are geared to elementary grade levels, and they include word recognition structures and strategies including Phonics, Word Families, Structural Analysis and Sight Vocabulary. Also includes Word Family flash cards and hands-on activities for teaching Word Recognition skills. **LP-001**.... Primary Handbook

Instructional Posterboards ~ set of 12, size 27"x37"

These large, dry erase templates are used for modeling reading and writing strategies in mini lessons during literacy blocks and in content classrooms. Teachers use these instructional tools to deliver countless lessons, and students receive the effective strategies needed to perform on open-response testing. Students also use these posterboards in cooperative, interest and peer group activities.
